From: Blue Mountains Sister Cities Committee  
Locked Bag 1005, Katoomba, 2780. NSW

Dear Members of the Sanda International Association.

On behalf of the Blue Mountains Sister City Committee members, I would like to wish you a very successful 30th Anniversary Celebration.

We would like to congratulate both our cities past and present Mayors and City leaders for their continued support of our Sister Cities Committee's. Without them I do not believe that the Sister City friendship would have continued for over 30 years.

The SIA is to be congratulated for their dedication in fostering a wonderful SC relationship with the Blue Mountains. There have been many memorable exchanges between our cities over the past 30 years, and long life friendships made. These exchanges and friendships are the main reason for the continuation of such a beautiful relationship. "We Thank You".

We would like to apologise that we could not be in Sanda to celebrate this wonderful celebration with you, but we will be thinking of you all.

The BMSCC look forward to many more wonderful exchanges and friendships between our cities.

Kindest regards,  
Colleen Kime, Secretary, BMSCC
