Sanda International Association Membership,

On behalf of Kittitas County, I wish to congratulate Sanda City on the 30<sup>th</sup> anniversary of the Sanda International Association. This is a very important occasion, and the dedication of your respected group is to be recognized and commended.

We are very grateful for the close relationship our two communities have enjoyed over these many years. There is much to share between us, and many citizens on both sides have had the pleasure of personally interacting with each other during journeys to our fair nations. Kittitas County is much better for knowing Sanda City.

Thank you for making the building of friendships across the globe a priority for Sanda City. The example you set is one to be emulated by all communities around the world. We are proud to call Sanda City a friend, and look forward to the pleasure of your personal company here in Kittitas County at your soonest convenience. May your esteemed association celebrate anniversaries for many decades to come.

敬具

Cory Wright  
Chairman  
Kittitas County Commissioners
